

CERTIFICATE OF ACCURACY

I certify that this plat accurately depicts a true and correct survey made under my direct supervision, that it meets the accuracy required by the governing commission, and that certain monuments have been placed as shown herein, in the specifications of the regional planning commission. I further certify that this is a category I survey and the ratio of precision of the unadjusted survey is 1:7500 as shown herein.

This is to certify that I have consulted the Federal insurance administration flood hazard boundary map and the property shown is not located in a special flood hazard area.
